Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Saturday 10 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Unsettled at first but improving from midweek.

This Evening and Tonight:
Any early showers will die away, leaving dry conditions with clear spells and very light winds. Some patchy mist, fog or low cloud may form. Minimum temperature 11 deg C (52 deg F).

Sunday:
After a dull start in places bright or sunny spells will develop through the morning, but also isolated showers. Cloud will increase later with rain moving in from the west. Maximum temperature 21 deg C (70 deg F).

Outlook for Monday to Wednesday:
Monday and Tuesday showers or longer spells of rain, both heavy with a chance of thunder. Later Tuesday possibly becoming drier. Then Wednesday brighter and mainly dry.
